## **1. 46 POUNDS OF METHAMPHETAMINE SEIZED BY CHP K-9**

On October 24, a Northern Division K-9 Officer and his K-9 partner, Riva, conducted a traffic stop on a Nissan Altima for exceeding the designated speed limit of 65 mph. During the interaction with the driver, Jose Guizar-Andrade, a 31-year-old resident of Vancouver, WA, the officer detected signs of criminal activity, leading to a request to consent for a search. The officer deployed K-9 Riva, who signaled the existence of narcotics. A thorough search unveiled approximately 46 pounds of methamphetamine in the vehicle's trunk. As a result, Guizar-Andrade was arrested for possession of a controlled substance and possession of narcotics with the intent to sell. The custody of Guizar-Andrade and the confiscated narcotics were transferred to the Shasta Inter-Agency Narcotic Task Force (SINTF) for further investigation.

## **2. H-30 RESCUE ON MOUNT DIABLO AFTER A SEVERE ACCIDENT**

On October 26, Golden Gate Division's Helicopter 30 (H-30) and Contra Costa County Fire Department's helicopter "Reach 32" were requested in the Rock City area of Mount Diablo for a climbing accident resulting in serious injuries. H-30 deployed a San Ramon Valley Fire Department helicopter rescue team member to ensure the patient was appropriately cared for and prepared for hoist and transfer. H-30 hoisted the patient from the accident site, patient care was transferred to Reach 32, and the patient was transported to John Muir Hospital.

## **3. A STREET TAKEOVER WITH A STOLEN VEHICLE LEADS TO ARREST**

Last weekend, CHP officers from South Los Angeles aided the Los Angeles Police Department air units to apprehend a driver involved in a street takeover. The individual, driving a white Cadillac, evaded officers along several key freeways, including I-110, I-405, I-710, and SR-91. This ended when the driver entered a dead-end street and attempted to evade on foot. Following a short pursuit along a riverbank, the driver was successfully detained. Further investigation revealed that the Cadillac had been previously reported as stolen.

## **4. CHP EXPLORERS VICTORIOUS IN CENTRAL COAST LAW ENFORCEMENT COMPETITION**

On October 26 and 27, the CHP Santa Rosa Area Explorers competed in the Central Coast Law Enforcement Competition at Cuesta College in San Luis Obispo. They delivered an impressive performance, ensuring their area and department's esprit de corps was on full display. The weekend also provided a splendid opportunity for team bonding. The team secured

notable victories by ranking 3rd in the DUI scenario, 5th in High-Risk Traffic stop, and 1st in the Female Obstacle Course. A total of 15 Explorer posts participated in the competition.
