**SUMMARY:**

The subcommittee met during the main Impaired Driving Task Force meeting specifically to address possible draft recommendations to present to the group. After discussing, the group arrived at the following recommendations:

1. Promote responsible sales and consumption practices to all cannabis retailers, dispensaries, and home delivery services, similar to alcohol sales; including educational information the consumer can take such as pamphlets, posters, and

other information related to the responsible usage of cannabis and driving for those of a legal age.

2. Provide age appropriate education for youth and adults on the effects of the use of cannabis and impact of impaired driving.

The group then discussed the need to continue developing additional draft recommendations as the subcommittee continues to meet.

#### Public Comment

None.
