### **Funding Requirements**

A Grant Applicant may only submit one Grant Application per Grant Opportunity and shall only request the amount of grant funds necessary to complete the project within the Project Performance Period.

Grant funds shall be used to implement new activities or augment existing funds, which expand current activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that are appropriated or earmarked for the same purpose and are routine and/or existing state and local expenditures. Supplanting is the deliberate reduction in the amount of federal, state, or local funding appropriated to an existing program or activity because grant funds are awarded for the same purpose. It is the responsibility of the Grant Applicant to ensure supplanting does not occur.

### **Match Requirements**

This Grant Opportunity does not require matching funds.

### **Project Costs**

Estimated project costs shall support grant-funded project activities that help address impaired driving and are directly related to the scope of work identified in the Grant Application. To be permissible, project costs must be reasonable, necessary, and expended according to the CTFGP policies, procedures, and regulations. Projects are required to have a realistic and prudent budget that avoids unnecessary expenditures unrelated to the project activities. Final determination of eligibility will be made by the Cannabis Grants Unit (CGU) and approved within the Grant Agreement. Please refer to Annex A for ineligible expenses.

The information below includes the approximate grant funding amount, project requirements, and project cost guidelines.

### **Project Performance Period**

Two Years (July 1, 2023 through June 30, 2025)

### **Eligible Applicants**

Local Government, which includes California County and/or City Crime Laboratories

### **Project Funding**

Available project funding is approximately \$11 million, with a \$2 million cap per Grant Application. The Grant Applicant must provide strong justification, measurable goals, and an immediate need for all requested budget items as part of the project.

### **Project Requirements**

Requested services, equipment, and supplies shall be in direct support of grant-funded project activities that aid in the enforcement of laws related to driving under the influence of alcohol and other drugs, including cannabis and cannabis products.

Toxicology projects may include the following project activities:

- Forensic alcohol and/or breath alcohol analysis for DUI prosecution conducted by Forensic Alcohol Laboratories
- Controlled substances/drug chemistry analysis for DUID prosecution conducted by Forensic Toxicology Laboratories
- Eliminate backlog in the analysis of forensic science evidence
- Reduce turnaround time for sample testing
- Purchase and/or upgrade equipment to improve testing capabilities
- Reduce or eliminate the need for outsource testing by private laboratories

### **Eligible Project Cost Categories**

**Personnel:** Costs may include compensation for salaries and fringe benefits, such as annual leave and sick leave, for work directly related to the project. Personnel salaries must be consistent with project activities. To be eligible for reimbursement, Personnel Services must occur within the Project Performance Period.

Eligible expenses may include, but are not limited to:

- Data collection
- Attend approved training
- Backfill for staff attending approved training
- Process samples/specimens to reduce backlog

**Travel:** Costs may include travel associated with approved in-state and out-of-state project-related conferences, seminars, workshops, and trainings. The most economical mode of travel, in terms of direct expenses to the project, must be used. To be eligible for reimbursement, Travel must occur within the Project Performance Period. Out-of-state travel is only allowed in exceptional situations. For additional information on travel restrictions, please refer to <https://oag.ca.gov/ab1887>.

Eligible expenses may include, but are not limited to:

- Mileage (based on current State rate) or fuel expenses
- Hotel accommodations
- Commercial airline fares
- Parking fees
- Bridge tolls and/or taxi or bus fares

**Equipment:** Costs may include non-expendable, tangible, personal property having a normal useful life of more than one year, and an acquisition cost of at least \$5,000 (ex: four identical assets, which cost \$1,250 each, for a total of \$5,000, are not considered an equipment purchase). Equipment shall be directly related and necessary to complete grant-funded activities included in the project. Equipment should be purchased at the beginning of the Project Performance Period to ensure it is utilized when completing corresponding project activities. To be eligible for reimbursement, equipment must be purchased and received within the Project Performance Period.

Grant funds should be used to upgrade or purchase forensic laboratory equipment that improves data collection and meets the following standards:

- Minimally test for National Safety Council's (NSC) Tier I drug list
- Meet NSC analytical thresholds for testing

It is recommended that equipment item(s) improve laboratory testing capabilities and efforts in the following areas:

- Testing for concentration of cannabinoids, to include tetrahydrocannabinol (THC), hydroxy-THC, and carboxy-THC
- Testing of all DUI cases for NSC Tier I compounds, regardless of blood alcohol content (BAC)
- Testing of all DUI cases regardless of BAC when drug testing is specifically requested by the arresting Organization/Agency
- Testing of all samples obtained from all Drug Recognition Expert investigations, regardless of charge

**Consultants/Contracts:** Costs may include professional services necessary to carry out the project goals and deliverables that are clearly outlined in the Grant Application. A copy of the contract and/or scope of work must be submitted to and approved by the CGU prior to commencement of work. To be eligible for reimbursement, Consultants/Contracts Services must occur within the Project Performance Period.

**Other Direct Costs:** Costs may include operational costs. Other Direct Costs shall be directly related and necessary to complete grant-funded activities included in the project. Other Direct Costs should be purchased at the beginning of the Project Performance Period to ensure they are utilized when completing corresponding project activities. To be eligible for reimbursement, Other Direct Costs must be purchased and received within the Project Performance Period.

Eligible expenses may include, but are not limited to:

- Equipment with an acquisition cost under \$5,000
- Testing supplies, testing software, upgrading/replacing/purchasing computer hardware and software for forensic analyses and data management
- Registration fees for approved trainings/meetings, which may include the following:
  - Drug Evaluation Classification (DEC) courses
  - Traffic Safety Resource Prosecutor Traffic College
  - Appropriate alcohol and drug courses
  - Training classes related to the purchase of grant-funded equipment
