On behalf of

On behalf of our student body and faculty, we would like to thank you for your commitment to the education of the youth of California on the dangers associated with drinking and driving. Your dedication and support played an integral part in helping us achieve our goal of presenting a successful Every 15 Minutes Program this year, as well as helping save lives in our community. We hope you will continue to be an advocate for the Every 15 Minutes Program and drinking and driving prevention among our youth.
