DEPARTMENT OF CALIFORNIA HIGHWAY PATROL

NOTICE OF PROPOSED REGULATORY ACTION

TITLE 13, CALIFORNIA CODE OF REGULATIONS, DIVISION 2, ADOPT CHAPTER 13

CALIFORNIA HIGHWAY PATROL CANNABIS TAX FUND GRANT PROGRAM (CHP-R-2019-06601)

Section 2402 of the California Vehicle Code (CVC) authorizes the Commissioner of the California Highway Patrol (CHP) to make and enforce regulations as necessary to carry out the duties of the CHP. The CHP proposes to adopt regulations within Title 13 of the California Code of Regulations (CCR), Division 2, by adding Chapter 13, which would govern the CHP Cannabis Tax Fund Grant Program, in furtherance of the Control, Regulate, and Tax Adult Use of Marijuana Act (AUMA), an initiative measure enacted as Proposition 64 on November 8, 2016, by a statewide general election. The AUMA and subsequent legislation, including Senate Bill 94 (2017) authorizes a person who obtains a state license from a cannabis control agency to engage in commercial adult-use and medicinal cannabis activity pursuant to that license and applicable local ordinances.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

In accordance with Section 34019 of the Revenue and Taxation Code (RTC) and the passage of the AUMA, the Department has established the Cannabis Tax Fund Grant Program. The purpose of this program is to provide financial assistance to eligible entities for the education, prevention, and/or enforcement of impaired driving laws related to driving under the influence (DUI) of alcohol and other drugs, including cannabis.

This rulemaking package is initiated to implement a new grant program created by Sections 34019(f)(3)(B) RTC. Specifically, the proposed regulations outline general grant provisions, grant project types, specific application requirements, grant evaluation criteria, and necessary administrative procedures for the effective implementation of the program.

The funds disbursed by the California State Controller’s Office shall be used to fund internal CHP programs and grants to qualified nonprofit organizations and local governments for education, prevention, and enforcement of laws related to driving under the influence (DUI) of alcohol and drugs, including cannabis; programs that help enforce traffic laws, educate the public in traffic safety, provide varied and effective means of reducing fatalities, injuries, and economic losses from collisions; and for the purchase of equipment related to enforcement of laws related to DUI of alcohol and other drugs, including cannabis (refer to Section 34019[f][3][B] RTC).
CONSISTENCY AND COMPATIBILITY WITH EXISTING STATE REGULATIONS

After conducting an evaluation, the CHP has determined these regulations pertain only to the grant program administered within the Department by the authority of Section 34019 RTC. Therefore, the proposed regulations are neither inconsistent nor incompatible with existing state regulations.

ANTICIPATED BENEFITS OF THE PROPOSED REGULATION

This proposed regulatory action will ensure the Cannabis Tax Fund Grant Program has uniform standards, internal controls, and guidelines to ensure consistent and effective administration of the program; the public understands the expectation of the program; and the program targets law enforcement programs designed to reduce DUI of alcohol and other drugs, including cannabis.

CONSIDERATION OF ALTERNATIVES

In accordance with Section 11346.5(a)(13) GC, the CHP must determine that no reasonable alternative considered by the CHP, or that has otherwise been identified and brought to the attention of the CHP, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.
