

D.R.E. RECERT

Presented by the Irvine Police Department

This 1-day course (8 hours) will fulfill the DECP requirement for Drug Recognition Experts to maintain their certification. The course will be taught by certified DRE Instructors and will serve as a refresher for the basic concepts learned in the initial DRE training, as well as an opportunity for DREs to learn about changing drug and DUI legislation, new drug trends, and issues of officer safety with regard to drugs and impaired individuals.

Participants will be provided with new, complete DRE kits and cases.
