	. Fire extinguisher and reflective warning device																									
	Horn, defroster, gauges, odometer, and speed	ometer																								
	 Mirrors and supports 																									
	. Windshield wipers, window cracks																									
	 All lights, signals, reflectors, mudflaps 																									
	Electrical wiring-condition and protection																									
	7. Batteries-water level, terminals, and cables																									
	 Warning devices-air, oil, temperature, anti skid 																									
	 Radiator and water hoses- coolant level, condi 																									
	0. Belts-compressor, fan, water pump, and/or alte																								_	
	1. Air hoses and tubing leaks, condition, and/or p																									
	2. Fuel system-tank, hoses, tubing, and/or pump;																									
	3. Exhaust system, manifolds, piping, muffler; lea	ks and/or condition																								
14	4. Engine-mounting, excessive grease and/or oil																									
15	5. Clutch adjustment-free play																									
16	6. Air filter, throttle linkage																									
17	7. Starting and charging system																								-	
18	8. Tractor-protection valve																								-	
19	9. Hydraulic brake system-adjustment, componer	nts, and/or condition																								
20	20. Hydraulic master cylinder level, leaks, and/or c	ondition																								
21	21. Hoses and tubing-condition and protection																									
22	2. Air brake system-adjustment, components, and	d/or condition																								
	23. 1 minute air or vacuum loss test																								-	
24	24. Air compressor governor cut-in and cut-out pre	ssures (85-130)																								
	25. Primary air tank-drain and test check valve	/																								
	6. Other air tank-drain and check for contamination	on; securement																								
	7. Tires-tread depth, inflation, and condition	,																								
	8. Wheels, lug nuts, and studs-cracks, looseness	, and/or condition																								
	29. Parking brake-able to hold the vehicle	,																							-	
	30. Emergency stopping system-labeled and operation	ative																								
	31. Brakes release after complete loss of service a																								_	
	32. Steering system-mounting, free lash, and com																							-	-	
	33. Steering arms, drag links, and/or tie rod ends																							-	-	
	34. Connecting devices- fifth wheel, pintle hitch, ar	nd/or safety devices																						-	-	
	35. Suspension system-springs, shackles, u-bolts,																							-	_	
	66. Frame and cross members-cracks and/or conc		-																			<u> </u>		<u> </u>	-	
	87. Drive shaft, universal joints, and/or guards																					<u> </u>		<u> </u>	-	
	88. Transmission and differential-mounting, leaks,	and/or condition		-													-					+		<u> </u>	-	
	9. Wheel seals-leaks and/or condition	ana, or condition		-													<u> </u>					\vdash		<u> </u>	-	
	0. Under carriage-clean and secure																					\vdash		<u> </u>	—
