REVISED AUGUST 2018

LIBRARY DISTRIBUTION ACT

HPH 84.3

The purpose of this publication is to provide the approved explosives routes, safe stopping places, and safe parking places to be used when transporting explosives.

The objective is to facilitate and encourage driver compliance with regulations pertaining to the operation of vehicles transporting explosives and to prevent injury or loss of life resulting from accidents involving explosive laden vehicles. This is accomplished by publishing the regulations, including necessary definitions and requirements for vehicle inspections, in their entirety.
