FOREWORD

The CHP is the primary statewide agency for traffic law enforcement in California. As a statewide agency it is essential the Department maintain a fair, impartial, and consistent enforcement policy. This manual provides the policies and procedures necessary for field personnel to achieve that desired goal. The employment of sound, professional judgement and respect for the constitutional and legal rights of individuals is the basic criteria for all field enforcement actions.

Questions concerning the contents of this manual should be directed to Research and Planning Section.
