DEPARTMENT OF CALIFORNIA HIGHWAY PATROL

TRANSPORTATION PLANNING MANUAL

THIS PUBLICATION MAY BE PURCHASED FROM THE
CALIFORNIA HIGHWAY PATROL

REVISED DECEMBER 2024

LIBRARY DISTRIBUTION ACT

HPM 41.1

FOREWORD

The purpose of this manual is to provide information, policy, guidelines, and procedures to guide departmental personnel through the transportation planning and management process. The objective of this manual is to give departmental personnel sufficient information about the transportation planning and management process to effectively and efficiently participate in the development of California's transportation system. Active participation in the transportation process will ensure highways of the future are designed, built, and operated incorporating all the Department's safety and security concerns.
