FOREWORD

The purpose of this manual is to provide guidance and direction to personnel involved in the commercial enforcement program, and to serve as a repository for departmental interpretations relating to commercial enforcement.

The objective is to promote uniformity of interpretation and application of the laws pertaining to commercial vehicles, and to gain maximum compliance with safety requirements in order to minimize equipment failure, traffic crashes, and damage to highways.

Any inquiries or comments relating to this manual should be directed to Enforcement and Planning Division or Commercial Vehicle Section.
