REVISED AUGUST 2021

LIBRARY DISTRIBUTION ACT

HPM 84.2

FOREWORD

The purpose of this manual is to provide guidance and direction to personnel involved in any of the Department's programs which relate to hazardous materials enforcement, routing of hazardous materials, incident response, incident reporting, vehicle inspection, licensing, or hazardous waste transportation/disposal investigations.

The objective of this manual is to promote uniformity of interpretation and application of the laws and policies pertaining to hazardous materials transportation and enforcement, and to gain maximum compliance with regulation adopted by the Department to promote the safe transportation and handling of hazardous materials and hazardous waste.

Any inquiries or comments relating to this manual should be directed to the Enforcement and Planning Division and/or Commercial Vehicle Section.
